

NEIL  
Hey! What are you doing?

TOUGH MAN  
Just reading this here sign. Got any objections?

NEIL  
Got no objection to your reading.

TOUGH MAN  
All right, mister, then how's about minding your own business?

NEIL  
Just don't pull the handle.

TOUGH MAN  
Why not shouldn't I pull the handle?

NEIL  
'Cause the fire department is tired.

TOUGH MAN  
And what's that to you?

NEIL  
I'm on duty here. I got orders not to bother the fire department tonight, see?

TOUGH MAN  
(Giving NEIL a wide berth)  
Good for you.  
(Turns and retreats)  
I got a couple of friends I'll tell about that.  
(Exits.)
